### LBJ Thinks CIA Is Tops

PRESIDENT JOHNSON thinks the CIA is the best spy outfit in the world. In a letter commemorating the 20th anniversary of the agency, he told its employees that "America relies on your constant dedication to the duty on your commitment to the democratic ideal." He said 20 years ago the U. S. did not have a broad scale intelligence service worthy of the name, but "today it has a strong and vital one — the best in the world."
